Objective

Passionate front-end web developer, UI/UX designer, and digital marketer with a strong foundation in web development, design principles, and digital strategies. I aim to create seamless, user-friendly digital experiences while helping businesses grow through innovative marketing strategies. I'm constantly evolving my skills to meet the demands of the digital landscape.

Hard Skills

- **Front-End Development:** HTML, CSS, JavaScript, TypeScript, WordPress, UI/UX Design
- **Design Tools:** Figma
- **Digital Marketing:** SEO, Social Media Marketing, Google Analytics
- **Other:** Web-safe Fonts, User-Centered Design, Responsive Web Design, Prototyping

Certifications

- **Programming Fundamentals** – Udacity
- **UI/UX Design** – Alison
- **Digital Marketing** – Uniathena

Projects

- [BENONI Gym and Fitness Website](#) – Front-end website
Designed and developed a front-end website for a gym business, focusing on user experience and conversion optimization.
- [Benoni Gym and fitness design](#) – Ui/Ux Design
I crafted a visually engaging and user-friendly Figma design for BENONI Gym, focusing on an intuitive layout that enhances user experience. The design emphasizes the gym's branding with a modern aesthetic, clean typography, and a structured hierarchy to guide users seamlessly through the interface.
- [Benoni Gym Website](#) – Wordpress Design
Designed and developed a fully responsive e-commerce platform, ensuring smooth navigation and an optimized checkout process.
- [E-Commerce Website](#) – Front-end website
Designed and developed a fully responsive e-commerce platform, ensuring smooth navigation and an optimized checkout process.

Education

2024

Vision Academy – *High School diploma*

Earned a High School Diploma with a solid academic foundation, demonstrating discipline, commitment, and a strong work ethic.

2024

Udacity – *programming fundamentals*

Completed courses on Udacity, focusing on front-end development, including building responsive websites and enhancing user experiences through modern web technologies.

2024

Uni athena – *Digital marketing*

Studied digital marketing at UniAthena, focusing on strategies to enhance online presence, drive traffic, and optimize conversions through SEO, social media, and analytics.

2024

Alison – *figma design*

Completed a certification in UI/UX design at Alison, where I gained practical skills in user-centered design, prototyping, and creating intuitive, responsive digital experiences.
